THE GOLDEN CHARIOT - UP CLOSE

Passengers will have a luxurious, private suite that extends their personal domain by more than a meter (2.85 x 2.35 meters). Every room is equipped with a well-equipped toilet (1.95 x 1.05 meters). The Queen size bed (1.50 x 2.05 meters) / single bed (0.85 x 2.05 meters) are covered with silk bedspreads handwoven by artisans famous for their craft. As for the luggage, it can be stored in the suite. We encourage all passengers to travel light. There is a cupboard (0.30 x 2.00 meters) with hangars large enough to accommodate a couple of dinner suits and jackets. To make the experience as personal as possible, the compartments are cozy and inviting. Should passengers require any assistance for additional luggage space, the coach attendant will be happy to help.
